

# U-Haul Material Loading Procedure

# 1

Park behind the store and see a cashier to purchase a loading ticket.

# 2

Drive your vehicle to the Loading Area, back up STRAIGHT & TIGHT to the pile.

# 3

- When the loader comes to you, hold up your ticket so the operator can read it.
- RIP the ticket in half and put it in the garbage can on the loader.

# 4

Move away from the machine and stay within eyesight for your safety while loading.

# 5

Pull forward a few feet and CLEAN MATERIAL OFF YOUR BUMPER, SIDE RAILS, AND TAILGATE by the pile before leaving. Please do not shovel material out of piles or off the ground.

# 6

Proceed to the parking lot behind the store to secure your load, if needed.  
SECURING THE LOAD IS THE CUSTOMERS RESPONSIBILITY.

**IF YOU HAVE ANY QUESTIONS OR CONCERNS, PLEASE SEE CUSTOMER SERVICE INSIDE THE STORE. THANK YOU FOR YOUR BUSINESS!**
